Respetada y distinguida Señora:

Con fecha 24 de Octubre de 1951, me permití enviar a Ebd. una extensa carta, a fin de que Ebd. intercediera ante su digno esposo, el Excelentísimo Señor Presidente de la República, en el sentido de que, compenetrado de la justicia de mi causa, hiciera a mi favor lo que de su parte estuviera.

El corazón magnánimo y bondadoso de la Primera Dama de la Nación, oyó mi súplica y la hizo llegar a conocimiento de S.E.

Por intermedio del Señor Secretario General de Gobierno, nuestro querido Presidente, viéndose imposibilitado para prestarme su cooperación por la vía administrativa, me sugirió la idea de hacerlo solicitando del H. Congreso una pensión de gracia.

Así lo hice y, con tan buena suerte que, en el transcurso de un mes, Cámara y Senado, despacharon un proyecto que me beneficia con la suma de cinco mil pesos mensuales, aparte, se encuentra, de la modesta jubilación de que disfruto. Ahora, pues, sólo resta a S.E. promulgar la ley y, en tal sentido, me he dirigido al Sr. Toboék. Una nueva ayuda de su parte, o sea, un recuerdo a este respecto a S.E., culminaría este servicio y sería un motivo más de reconocimiento y gratitud al Ser de corazón grande y generoso, que es la esposa del Primer Magistrado de la República.

Todos mis respetos, conjuntamente con mis mejores saludos.

E. Aurengual I.

Dear distinguished Madam,

On October 24th, 1951, I took the liberty of sending you a lengthy letter, so that you might intercede before your esteemed husband, His Excellency the President of the Republic, in the sense that, attuned to the justice of my cause, he would do whatever was within his power to help me.

The kind and magnanimous heart of the First Lady of the Nation, heard my plea and made it known to S.E.

Through the General Secretary of Government, our beloved President, unable to offer me his assistance through administrative channels, suggested that I request a special pension to the N. Congress.

That is what I did and, with such luck that, in the span of a month, the Chamber of Deputies and the Senate, both passed a bill that grants me the sum of five thousand pesos per month, in addition, of course, to the modest retirement pension that I currently receive, so, the only thing left to do is for N.E. to enact the law and, with that in mind, I have contacted Mr. Poblete. Another favor from you, in other words a reminder regarding this matter to N.E., would finalize this service and it would be yet another reason to appreciate and be grateful to a generous and big-hearted person, that is the wife of the Chief Magistrate of the Republic.

Please accept my deepest respects along with my best regards.
